Report of Principal and School Improvement Council

Beck Academy continues to focus on a shared vision: to have a focused faculty, teaching an aligned International Baccalaureate Middle Years Programme (IBMYP) curriculum to a motivated student body to prepare them to be productive citizens of the global community. As a magnet school for international studies, we continue to focus on the whole child and pursue excellence in every facet of our school. The 2013-2014 year was a great one for Beck. We received an Excellent/Excellent rating on our School Report Card and won a Palmetto Gold Awards for General Performance for the 3rd year in a row. With numerous students qualifying as Duke TIP scholars, 100% passing English I End of Course, 98% passing Algebra I End of Course and many qualifying as Junior Scholars, the academic achievement of our students continues as an example of the quality instruction they are provided and the excellent support provided at home. We continue to provide opportunities for our students with disabilities and serve as the Satellite middle school for students with Hearing and Orthopedic Disabilities.

As we provide leadership opportunities for our students in Student Council, Beta Club, Green Team, athletics and fine arts, we continually emphasize the need to give back to the community. We were named a School of Distinction by the National Beta Club for the 1st time. Our community and service program continues to grow and we have record numbers of students eligible for our community - service incentive program. We model this behavior school-wide by raising money for many local charities at various times throughout the year. This year some of the charities we supported as a school were: United Way, Make a Wish, Special Olympics, and Goodwill.

Our PTSA has won numerous awards over the years and we were pleased to continue great results in the PTSA Reflections Contest and with several membership awards. Mae Crooks won Volunteer of the Year at the state level and Amy Downey won PTSA teacher of the year for Southwest PTA. Our SIC continues to be invaluable as an advisory group and participates in developing our strategies to achieve our academic goals. Our business partners have grown in number and support and we continue to work with General Electric to premier a national math tutoring program, Igniting Minds, designed to take math students to the next level of achievement.

Our Athletics program continued to achieve honors. Volleyball made it to the District Championship for the 3rd year in a row. Our boys' soccer had its 2nd undefeated regular season and won the District Title. The girls continued their stretch without a loss to 6 years with their 6th championship in a row and 95 games without a loss. Our Strings received a Superior Rating along with the band at Concert Festival. The performing groups also had students in All-State, Region and County Honor ensembles. Band and Chorus won 1st place at a Six Flags Music Festival. We had several students participate at the District's Juried Art Show. The Robotics and Forensics teams placed in competitions with very successful season.

In the upcoming 2014-2015 school year, Beck Academy will continue to lead our students with a program of quality instruction that promotes rigor in the classroom, but with a new principal. Mr. Warren will be leaving for Greenville High School and won Administrator of the Year for Greenville County Schools and Mrs. Jennifer Meisten will replace him coming to us from Sterling School. We are excited about the new opportunities and vision Mrs. Meisten will bring to Beck Academy for 2014-2015.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	83.1
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Beck Academy has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
